Rockland Community Foundation to Host VIP Teen Event at July 25th Rockland Boulders Game Part of the Charity Challenge Night

New City, NY: Rockland Community Foundation will be hosting a special night at the ballpark for 20 high school kids on Thursday, July 25th. This special evening is part of The Rockland Boulders Charity Challenge. Students from Bridges, The Haverstraw Center, Martin Luther King Multipurpose Center and the Nyack Center's summer programs were invited by RCF to watch the game in the Sterling National Bank luxury suite at the ballpark. Each of these children were sponsored by the generosity of community members, non-profit agencies and businesses throughout the county. The students will be treated to fun ballpark style food and will receive a commemorative t-shirt as well. Plus, they will have the opportunity to meet with one of the ball players during the evening.

"We wanted to be able to create an evening to remember for kids from our community," says RCF Board President Emily Dominguez. "There is nothing that is more exciting than the energy associated with attending a live ball game and we are so excited to be able to offer this fun evening to high school kids in Rockland County." she added.

The Rockland Boulder's Charity Challenge is in its ninth consecutive year. This season season-long event was conceived as a way for the Boulders and Active International to team up in supporting local charities. Each year, several charities are chosen to participate. The Boulder's Community Fund is one of the over 74 funds that the Rockland Community Foundation stewards.

About the Rockland Community Foundation

The Rockland Community Foundation is committed to improving the quality of life for all people in Rockland County by increasing charitable giving. Its mission is to connect people and businesses with the causes that matter most to them through the creation of funds, across a wide range of interests, that donors create and the Foundation stewards.

Community foundations put philanthropy within reach, offering the ability to establish funds that will continue to give for years to come, with tax benefits that donors can take advantage of now. Most importantly, the funds stay in the community, which means donors will see the impact of their contributions in the place they call home. If you are interested in creating a fund and would like more information or would like to donate to one of our many funds, visit rocklandgives.org.
