The final number of recipients is dependent upon the applicant pool and available funding for the scholarship program, which will vary from year to year.

Awarding of the **Tuxedo STEM Fund Scholarship** is contingent on several criteria as detailed in the application requirements listed below. Scholarship recipients must commit to attend the George F. Baker High School for the 2019/2020 school year, and uphold a high standard of conduct and academic performance. Renewal of the scholarship is contingent upon proof of satisfactory achievement, receipt of the required reporting materials, and the availability of Foundation funds.

The **Tuxedo STEM Fund Scholarship** award is an outright grant. Although recipients are under no obligation to make repayment, it is hoped that once graduated from college and engaged in a productive career they will help honor the spirit of this scholarship to give future students a similar financial opportunity.
