# Rockland Community Foundation Announces 2020 Food Pantry Grant Recipients

**November 12, 2020 ROCKLAND COUNTY, NY-** For the 14th consecutive year, the Rockland Community Foundation has partnered with Inserra Supermarkets to award numerous grants to Rockland County's food pantries. With increased challenges due to COVID-19, RCF was able to increase this year's grants. "We received over twice the amount of applications than in 2019" stated Julie Sadowski, Executive Director of RCF. "It is sadly no surprise that the needs from our community have grown in light of the pandemic and challenging economic times" she continued. This year's recipients will receive \$500 in Shoprite Gift Cards.

**About the Rockland Community Foundation:** The Rockland Community Foundation is working to improve the quality of life in our region by increasing charitable giving. Its mission is to connect people and businesses with the causes that matter most to them through the creation of funds, across a wide range of interests, that donors create and the Foundation stewards.

Community foundations put philanthropy within reach, offering the ability to establish funds that will continue to give for years to come, with tax benefits that donors can take advantage of now. Most importantly, the funds stay in the community, which means donors will see the impact of their contributions in the place they call home.
