Rockland Community Foundation Announces 2023 Food Pantry Grant Recipients

November 1, 2023 ROCKLAND COUNTY, NY- For the 17th consecutive year, the Rockland Community Foundation has partnered with Inserra Supermarkets to award numerous grants to Rockland County's food pantries. With the Thanksgiving holiday fast approaching, this grant will provide much needed food and supplies to our community's residents. This year the Foundation received more applications than ever before. We are thrilled to announce that we are able to provide grants to 20 local food pantries, which is 8 more than we granted to last year, to help combat food insecurity in Rockland County.

About the Rockland Community Foundation: The Rockland Community Foundation is working to improve the quality of life in our region by increasing charitable giving. Its mission is to connect people and businesses with the causes that matter most to them through the creation of funds, across a wide range of interests, that donors create and the Foundation stewards.

Community foundations put philanthropy within reach, offering the ability to establish funds that will continue to give for years to come, with tax benefits that donors can take advantage of now. Most importantly, the funds stay in the

community, which means donors will see the impact of their contributions in the place they call home.
